From the Championship tees, the course is a giant at over 7,400 yards, however for corporate events and members' competitions the course is set at 6,814 yards, par 72 which still makes it a stern test. The resort West Course at nearly 2000 yards less in length is still a great challenge with tighter and smaller greens to navigate your ball on to. Both courses cater for all standards of golfer and are a joy to play.
