Swimming Pool Guidelines

Hotel Residents

Bookings

- Our swimming pool will now be open from 6.30am until 10pm and must be pre-booked to ensure we can adhere to our maximum capacity number of 30 (Not including under 5-year-olds) swimmers at any given time. Please note the last session will be 9pm.
- Bookings can be made by calling our Reservations Team on 0131 333 1845, option 1 or by emailing reservations@dalmahoyhotelandcountryclub.co.uk
- Alternatively, you can contact our Leisure Club Reception on 0131 333 1845, option 4, from Monday 27th December
- General swimming sessions will be bookable in 45-minute slots, allowing residents 10 minutes exit time before the next swimmers enter the poolside
- All swimmers must check-in at the leisure reception and we ask you to check-in no more than 5 minutes prior to swim time. Any residents arriving earlier will be asked to wait
- Please note that your swim time starts and ends during your allocated swim slot and carry over time will not be permitted
- Should you be booking your family in please include any children you have aged 5 and above.

Track & Trace

- As you will have made a booking as a hotel resident there will be no need to complete our track and trace procedure as we have all your details stored in the system.
- Should you still like to complete our QR code track and trace, please download the app on the link below and complete the registration form -

Wet Clothes Dryer

- We have now recommissioned the wet clothes dryer which can be found in the gents and ladies changing rooms.

Sauna and Steam Room

- The sauna and steam room are open in line with Scottish Government guidance and can be available when you book your swimming pool session. There is a maximum capacity of 2 in both the sauna and steam room and we ask that you socially distance yourself at all times.

Decommissioned Units

- The water fountains will be decommissioned until further notice.

Swimming pool Lane

- We will have the swimming lane available. Please respect socially distanced swimming with fellow members.

Changing rooms

- Please feel free to use the changing rooms post swim
- Although the showers will be operational, we ask that you exit the changing room prior to the end of your swim session to ensure the safe entry for the next session of swimmers
